As we are all aware that on 24th of August a meeting was conducted by the General Insurance Agents, which was held at Hotel Brundavan,

Dilsukhnagar. Quite a few agents from our D O attended the meeting, thanks to the efforts of Mr. K V S ASHOK, who took pains to inform the interested Agents. The meeting was called to form an ASSOCIATION which was named as GENERAL INSURANCE AGENTS FEDERATION OF INDIA (GIAFI). This Association is to be the main body, i.e.: CENTRAL ASSOCIATION, to take up and address the issues concerning and affecting agents of all PSU General Insurance Cos on the lines of the one LIC Agents are currently having. To give right thrust to GIAFI, we at our branch levels and divisional office levels have to form associations to co-ordinate with our parent body.

As Agents are aware of the threat to our future posed by the ever and frequently changing Government policies, "better late than never ", we have to come to-gather to fight for decent and respectable Working Environment and Consideration. We all know the fate of the Advisors of Mutual Fund Industry. We also know what has become of Postal Agents. LIC Agents would have suffered the same fate, but, thanks to the Union formed by LIC, more than two lakh Agents converged in Delhi and virtually saved their future. Now, if we do not follow the wise actions of our LIC brothers, our fate can be similar to that of Mutual Fund Advisors or Postal Agents. LIC Agents have offered to support and strengthen any sort of movement to fight for our cause. But, We cannot expect any help unless we take the in tiative ourselves.

Since the Association requires funds to operate, members decided that an Annual Subscription of Rs.365/- per Agent to be collected. A receipt to the effect will also be issued. In case any one decides to contribute any amount extra (only initially), may do so and the amount will be spent on the formation of the Association. Out of the subscription of Rs.365/-, an amount of Rs.200/- will go the Central Association. It is requested that all members participate.

It was also decided that the E C members would meet twice a month to monitor the progress.

It was decided that the Bank Account would be opened after completing all formalities pertaining to the formation of the Association.

The members were informed that on 22nd September 2012, the Central Association will be organizing a meeting, the place and time will be confirmed later. Hence, our D O Agents should attend the meeting in full strength and urged the members present at the meeting to-day that they should motivate other fellow agents to come and join and thereby exhibit our solidarity. A meeting has been fixed on 17/09/2012 for ALL AGENTS OF OUR D O, for this purpose and to prepare for the Central Association meeting.

SO, HOPE TO SEE YOU FRIENDS ON 17/09/2012 IN FULL STRENGTH.
